

# INTRODUCING EX<sup>2</sup>

The DofE is proud to launch its great new interactive online learning tool, designed to complement practical expedition training and bring the theoretical side to life.

**E**X<sup>2</sup> is a brilliant new interactive expedition training resource from the DofE, which will enable young people and their Leaders to engage with the DofE's Expedition section in a innovative, challenging and stimulating way.

EX<sup>2</sup> is designed to meet the needs of a wide variety of people running or taking part in the Expedition section. It provides the necessary skills and knowledge to enable both the adults training young people and the young people doing their DofE programme, to enhance their expedition experience.

This comprehensive resource covers all elements of the Expedition section and can be used either before or after practical expedition training sessions.

## Modules

- Introducing the Expedition section: *All the DofE related rules and requirements with an overview of what it's all about.*
- Choosing your expedition: *Helping young people to decide where they want to go, mode of travel and their aim.*
- Your expedition skills: *Training with interactive modules in everything from weather and navigation to emergency signals and packing a rucksack.*
- Planning your expedition: *The steps needed to plan a successful and safe expedition.*
- Delivering the Expedition section: *Further information for adults involved in delivering the Expedition section.*

## Benefits

### For young people:

- Enhances their practical training
- Can be used with group or at home

- Fun & interactive
- Gives them the knowledge they need to enjoy their DofE expedition

### For Leaders:

- Can use to upskill and check their technical & DofE knowledge
- Cost-effective
- Ensures common messages for all participants
- Easy to set up and use
- Enhances practical training
- Can be used to train young people en-masse or individually

## Costs

- Single user licence: £16
- 10 user licence: £125
- 50 user licence: £500
- CD: £2.50 + P&P (on top of licence fee)

## How to order

All you need to do is download EX<sup>2</sup> and install it on a hard drive – then it's available to use. First, download EX<sup>2</sup> from [www.DofE.org/EX2](http://www.DofE.org/EX2) and try out the free demo. Then purchase the appropriate licence by completing the order form available at [www.DofE.org/shop](http://www.DofE.org/shop). All you need is a valid email address. Upon payment confirmation, we'll email you an activation code to unlock all of the modules. Note: a CD version is available at a small supplement if you are unable to download.
